FOR IMMEDIATE RELEASE

Projector Lamp Services Now Provides NEW Complete Projector Lamps

Bohemia, NY – October 28, 2008

Projector Lamp Services, LLC (PLS) now offers NEW complete lamp assemblies for a variety of front projectors and RPTVs.

For PLS, the priority is ensuring that customers receive exceptional service. In expanding the offering of lamp replacement possibilities, PLS now provides customers with access to new lamps that are completely assembled and ready for installation. Distributors are welcome to contact PLS about special pricing and availability.

More options, more savings and more reasons why PLS has become a leading projector lamp supplier. Combining the relamping and recycling services, OEM bare lamps and complete lamp assemblies allow PLS to offer the most economical and reliable options in the industry.

Projector Lamp Services, LLC, established in May 2007, provides re-lamping services for the projection display industry. PLS has developed a process that allows front and rear projector light sources to be remanufactured at a reduced cost without compromising lifetime or performance. PLS also offers a no charge projector lamp recycling service. The PLS Projector Lamp Recycling Center, focuses on reducing waste and environmental mercury contamination from the lamps found in front and rear projectors. We are dedicated to encouraging A/V users to “think green” when it comes to replacement projector lamps.

For more information about PLS relamping and recycling, call +1(631) 244-0051 or visit our NEW website at www.relampit.com
